Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

May this message find you in the best of health and iman as we approach Ramadan.

As we prepare for this blessed month, we turn to Allah in earnest du'aa: *O Allah, grant relief, protection, and victory to our brothers and sisters in Gaza, Sudan, and all places where Muslims are facing hardship. Ease their suffering, accept their sacrifices, and reunite us all in Your mercy. Ameen.*

While our hearts remain heavy with the suffering of our brothers and sisters, we have some good news locally. **Alhamdulillah, since our groundbreaking last Ramadan, construction of Kanata's first Masjid & Centre has progressed significantly with your generosity:**

- ✓ The gymnasium/multi-purpose hall walls are up, and the roof has been installed
- ✓ The Masjid roof is now being put in place
- ✓ The Masjid precast walls will be installed before Ramadan, Insha Allah

This progress would not have been possible without your unwavering support. Every donation, every du'aa, and every effort you have made has played a role in bringing this vision to life. **May Allah reward you abundantly and make this a source of endless barakah for you and your family.**

Beyond construction, we have been working hard to build a strong sense of community. Alhamdulillah, our Masjid continues to serve all segments of our community—children, youth, seniors, sisters, and adults—by offering meaningful programs, spiritual gatherings, and educational initiatives. We have also been honored to welcome and support newcomers, including families from Gaza. Special programs tailored to the interests and needs of our growing community continue to enrich our shared journey.

Additionally, our Zakat Assistance Committee continues to support a growing number of individuals and families in need in our region. Your generosity has helped provide essential relief, Alhamdulillah.

**While the exterior of the Masjid is nearing completion, significant work remains inside.** Electrical, plumbing, HVAC, and other essential systems must be installed before we can move forward with flooring, painting, and other finishing touches. Your contributions have laid the foundation – now we are working towards making this space a fully functional home for our community.

Alhamdulillah, our daycare, solar panels, government grants, and program fees continue to fully cover operational expenses. **This means that 100% of your donations for the Masjid & Centre will go directly toward moving the project to completion, Insha Allah!**

Jazak Allah Khair for your continuous support. We carry the heavy amanah entrusted by the community and pray for Allah's guidance. May Allah bless you with a meaningful and accepted Ramadan.

Remember us in your du'aas. Ramadan Mubarak!

Sincerely,

*Mehmood S.*
